0 Miles 100 Miles

**Search**

Two red arrows are pointing to the search interface. One arrow points to the text input field labeled "Enter location here". The other arrow points to the slider control for the search distance, which is currently set to 25 miles.

# How to Find an In-Network Provider

5. It will then ask you to select the specific network – select “Aetna Choice POS II (Open Access)” network under the “Broad Medical Networks.” Select “Continue” to move on.

The screenshot shows the Aetna/meritain website interface. At the top, the logos for Aetna and Meritain Health are displayed. Below the logos, the page title reads "Directory of health care professionals for Meritain Health". A breadcrumb trail shows "Member/Guest Home > Select a plan".

The main content area is titled "Select a Plan to find providers in Delaware, Ohio" with a "Change location" link. A "Continue" button is visible in the top right corner of this section.

Under the heading "Why is choosing a plan so important?", there are three bullet points:

- Pay less if you use a provider that accepts the plan
- Find the highest level of coverage from a provider under the plan
- Confirm doctors are accepting the plan

A red arrow points from the third bullet point to the "Select a Plan" dropdown menu. The dropdown menu is titled "Select a Plan" and contains a search bar. Below the search bar, it says "Enter plan name to narrow list below, e.g. Managed Choice".

The dropdown menu is expanded to show three categories of networks:

- Broad Medical Networks** (with a minus sign icon):
  - Aetna Choice® POS II (Open Access)
  - Open Choice® PPO
  - Aetna Select (Open Access)
- Medical Networks - Excluding Sutter Health** (with a plus sign icon)
- ACO/JointVentures** (with a plus sign icon)
- High Performance Networks** (with a plus sign icon)

# How to Find an In-Network Provider

- You will then have the option to search for the type of provider you are looking for by typing directly in the search bar (for example, searching for a Primary Care Physician). Or you can select a type of provider based on the categories provided.

The screenshot shows the Aetna/Meritain Health website's provider search interface. At the top, the logos for Aetna and Meritain Health are displayed. Below them is a purple header with the text "Directory of health care professionals for Meritain Health". A breadcrumb trail reads "Member/Guest Home > Select a plan > Find a provider". A search bar at the top right indicates the search criteria: "Searching by: Aetna Choice® POS II (Open Access) | Change Plan". The main search area asks "What do you want to search for near Delaware, Ohio?" with a "Change location" link. A red arrow points to the search input field, which contains the text "Primary Care Physician". A dropdown menu is open below the search bar, titled "Choose a result below to finish your search". The dropdown lists three categories: "Healthcare Providers & Practices" (with sub-items for Bexley, Bucyrus, and Dublin, OH, and a link for 4 more), "Hospitals & Facilities" (with Central Ohio Primary Care Physicians Lab - Columbus, OH), and "Specialists & Specialty Types" (with "Primary Care Physician (PCP)" highlighted in a purple bar).

The screenshot shows the "Find what you need by category" section of the website. It features a grid of 10 categories, each with an icon, a title, and a list of services. The categories are: Medical Doctors & Specialists (Primary care physicians, pediatricians, cardiologists, OB/GYNs, others); Hospitals & Facilities (Hospitals, urgent care centers, walk-in clinics, physical therapy centers, others); Behavioral Health (Counseling, EAP, mental health facilities, substance abuse treatment, psychiatrists, others); Urgent Care (Urgent care centers); Alternative Medicine (Chiropractors, acupuncturist, massage therapists, dieticians, others); Dental Care (Dentists, orthodontists, periodontists, oral surgeons, endodontists, others); Labs & Testing (Bloodwork, lab tests, diagnostic testing centers, sleep centers, imaging centers, others); Durable Medical Equipment (DME) (Hearing aids, breast pumps, prosthetics, wheelchairs, diabetes equipment, others); Common Procedures & Conditions (Search providers by procedures they perform or conditions they treat); and Institutes of Quality/Institutes of Excellence (Institutes of Quality® (IOQ) and Institutes of Excellence™ (IOE) are facilities that have met standards to provide value and quality to our members).

# How to Find an In-Network Provider

7. If you search by category and select “Medical Doctors & Specialists” and then “Doctors (Primary Care),” you will then be able to select which type of physician you are looking for.
