

## Spring Break Mission Week 2002

**Peru** – An opportunity to open your heart and mind while taking part in a cultural exchange with orphans in the Yanachaga River region of Oxapampa, Peru. Surrounded by a beautiful mountainous landscape we will work alongside the children and youth at such tasks as carpentry, horticulture, bee-keeping, metal work, and milking cows. We will be hosted by PROYSOYA, an organization dedicated to development of the community and the young people who live there. We may also have the opportunity to work with other social organizations.
