OWL Camp provides enrichment and challenge in a variety of areas, including science, math, technology, engineering, arts and sciences and is sponsored by Ohio Wesleyan University.

OWL has expanded and has two types of camp experiences:

1. Residential Camp - a 5-day (Sunday evening through Thursday evening) residential summer program for gifted and talented students who are currently (at time of application) in grades 6, 7, and 8. Each week during residential camp, approximately 180 campers in grades 6-8, live in family groups in a university dormitory with adult OWL counselors. The dormitory will only have OWL counselors and campers during our camp weeks. The uniqueness of the program makes it a wonderful opportunity to build new friendships, enjoy hands-on learning and participate in living on a college campus. Tuition for residential camp is \$740; full and partial scholarships are available.
2. Day Camp - a 4-day program for gifted and talented students who are currently (at time of application) in grades 5, and 6. During day camp, approximately 100 campers, grades 5-6, join us on campus from 8:15 - 4:30 and take 4 classes on campus taught by university professors, teachers, and experts in their fields. Tuition for day camp is \$395; full and partial scholarships are available.

Applications must be submitted online before January 31, 2025. Late applications will be added to the wait list. Space is limited and not all applicants can be accepted.

- All applications will be submitted online. If submitting your application online is not available for you, please let us know by emailing owl@owu.edu.

- You should ask two teachers to submit a recommendation form for you online. Let them know that after you apply and give us their contact information, OWL Camp will email them a link to the form we need from them.

- You should ask your Gifted Coordinator or Counselor to submit the academic/school form for you online. Let them know that after you apply and give us their contact information, OWL Camp will email them a link to the form we need from them.

Make sure all of your application materials are submitted before January 31, 2025, in order to be considered for the camp. Late applications will be placed on a wait list.

## Financial Aid Form

The OWL Program is grateful to provide financial assistance, thanks to the generous contributions from foundations, organizations, community groups, and individuals. Scholarships are awarded based on demonstrated financial need and typically cover 20-100 percent of the camp fee. For 2025, the residential camp fee is \$740.00, and the day camp fee is \$395. New applicants receive priority consideration for scholarship support, but previous financial aid recipients are also eligible to reapply. Eligibility is determined using the Federal Free and Reduced Lunch Guidelines.

If you require financial aid to facilitate your child's participation in the program, kindly fill out the provided information and submit the necessary documents. Please note that applications for financial aid cannot be processed without this information. Rest assured, all financial details shared will be treated confidentially. The deadline for submission is March 1, 2025.

For students who receive financial aid, there's a heartwarming tradition: writing a thank-you note to their sponsor while they're at camp. It's a small gesture that makes a big difference!
